

Join Us in Completing the Walk

“We haven’t completed the walk yet. The journey is still going on, but we’ve made progress... we can’t stop now; we have to keep going.”

— Archbishop Joseph A. Fiorenza

- + Fully gated parking lot and green space for gathering
- + Covered pavilion
- + Creation of a tribute wall

ARCHBISHOP JOSEPH A. FIORENZA PLAZA
(\$2,500,000)

CO-CATHEDRAL CAPITAL PROJECTS

(\$1,470,000)

- + Installation of a new sound system and LED lighting upgrades
- + Replacement of Cathedral doors
- + Roof work, exterior cleaning, and maintenance
- + Additional handicap accessible parking spots in the U-Drive

CATHEDRAL CENTRE CAPITAL PROJECTS

(\$830,000)

- + Cameron Hall A/V & 4th floor patio upgrades
- + Cameron Hall flooring, windows and paint repairs
- + HVAC and lighting improvements for efficiency
- + Expansion and resurfacing of existing parking lot behind the Centre

ENDOWMENT FOR PRESERVATION

(\$5,000,000)

- + The building of the Co-Cathedral was accomplished through the generosity of many individuals across the Archdiocese. The operation of the Co-Cathedral has been left to a small group of parishioners to maintain it over these last 15 years and requires a larger effort.
- + Archbishop Fiorenza had initially planned an endowment, but due to Hurricane Ike funding priorities were committed to relief efforts and other more pressing needs.
- + The creation of an endowment fund will ensure that the Co-Cathedral will be able to meet the needs of the larger Houston community for years to come.

ALLELUIA! (\$15,000,000+)

While the campaign provides for the beginning of an endowment (\$5 million), the Co-Cathedral is estimated to need a substantially larger endowment to be financially secure in the long-term future. All gifts in excess of our \$9.8 million goal will be applied to the endowment created in the initial case elements.

COMMEMORATIVE BRICKS

Each donor who contributes \$250 or more will receive a brick from the original Co-Cathedral of the Sacred Heart while supplies last.
